Company & Show Title

Los Titiriteros de Binéfar– *El Hombre Cigüeña (The Stork Man)*

Show Description

A passer-by helped by rudimentary objects relates the story of the fish pond where a stork fishes. He believes himself to be a stork. Is he mad? He sings: I'm a robber, a bird on the wing, while I still have a single feather I'll keep flying. Charming animal rod puppets interact with live actors in this charming paean to the environment that stretches the boundaries of theatrical invention.
